

# We are growing and actively recruiting!

Guntersville, a mountain-lakes jewel, is located approximately 30 miles from metro Huntsville and is home to Marshall Medical Centers, a two-hospital, not-for-profit, community-owned health system. With more than 135 staff physicians, representing 28 specialties, and 1600 healthcare professionals, Marshall Medical Centers has provided convenient, close-to-home care for the residents of Marshall County and the rural surrounding area since 1956. Marshall Medical is Joint Commission accredited and an affiliate of Huntsville Hospital Health System.

## We are actively recruiting in the following areas:

- **Gastroenterology**
- **Cardiology**  
*Interventional and Non-Invasive*
