

NO VISITORS ALLOWED

by order of Governor Kay Ivey and the
Alabama Department of Public Health.

We are implementing a NO VISITORS policy at every Marshall Medical facility by order of Governor Kay Ivey and the Alabama Department of Public Health.

PLEASE NOTE: One visitor per patient will be permitted ONLY in extraordinary circumstances, such as maternity and pediatrics. Medical screenings for fever will be performed on all approved visitors. Visitors with a temperature of 100.4° or greater will not be allowed to enter.

Please be aware that some pre-screening efforts may be conducted at your vehicle. These measures are for your safety in an effort to limit unnecessary exposure to others during your visit.

Please remember the importance of taking precautionary measures such as washing your hands, social distancing and contacting your physician if you have any respiratory-related symptoms.

We thank you for your cooperation. If you have any questions please call 256-571-8000.
